Sub: Extension of concessional broadband facility to retired employees - reg

Sir,

A few months back BSNL has extended the facility of 60% concession in the rent for broadband connection to below JAG level BSNL employees at their residence, which was hitherto available only for the residential broadband connection under limited plan of Rs. 250/-.

2. The discount of 60% on rental is being offered in BB Home UL 499 plan (256 Kbps unlimited, monthly rental Rs. 499/-), or in any other plan as opted by any BSNL employee below JAG level in BSNL area subject to a maximum limit of Rs. 300/- per month. Concessional broadband connection to BSNL employees in MTNL area is allowed under any tariff plan chosen by the individual and the concession will be restricted to monetary equivalent of the concession Rs. 150/- pm only.

3. This concession has not been extended to the retired employees of BSNL, unlike in the previous occasion where the 20% concession for Government and PSU employees was extended to the retired employees also.

4. We would be thankful, if the 60% concession is extended to the retired employees as well, so as to encourage more retired employees to use the broadband facility. The facility may also be extended to the BSNL retired employees residing in MTNL area.

With kind regards,

Yours sincerely,

(V.P.Arya)
General Secretary
